NORTHEASTERN · UNIV
N U

The Class of '48 presents
Volume Number Twenty-Six
of The Cauldron . . .

NA371.807
S48c
Cop 1

In humble sincerity we dedicate this book to the one hundred and sixty-seven Northeastern men who gave their lives that a grateful posterity might live free from fear in a world of peace and security.

Prof. Gerald R. Tatton

Adviser to the Class of '48

Professor Gerald Russell Tatton was born August 26, 1906 in Winchester, Massachusetts. Later in his childhood he moved to Medford where he attended the Medford Public Schools. Upon graduating from Medford High School with the class of 1924 he entered Northeastern University. In 1928 he graduated with honors with a B.A. degree. Mr. Tatton was the nineteenth person to be inducted into the Sigma Society. Later he received his M.B.A. at Boston University.

During the summer of 1929 Mr. Tatton was appointed to the faculty of Northeastern. He assumed the duties of instructor of advertising and assistant track coach. At the present time he is Assistant Professor of Business Management and Head Coach of Track.

Professor Tatton now resides in Medford with his wife and two children, a boy 14 and a girl 10.

CLASS HISTORY

Things in this world have the disagreeable habit of continually moving—sometimes knowing not where but just moving. College days seem to do this very thing, so it seems fitting and proper that a scribe should make note of some of the incidents that will become but a mere memory all too soon.

With a solemn note, then, this dutiful servant of future memories tries to point out the little or the big, the insignificant or the tumultuous happenings of our class, our friends, and our alma mater.

Here We Go!

The inevitable has happened! On May 3, 1943, for the first time in the history of Northeastern, women were admitted into the day colleges. The six pioneer women were part of the group of 212 students who were to matriculate. This was the smallest class to enroll in recent years. After a three-day Orientation Period, the class settled down to start their college career.

Just about the time that Division A learned what was what and who was who the class was joined by 250 more students, who enrolled on July 12. Thirteen of these entering freshman were awarded scholarships by the University. During the Orientation Period this group gathered at a reception and heard Captain Howard Sessler, ex-sports star and hero of the first Tokyo air raid, speak of his experiences.

September 20 brought with it a new class of frosh who were designated to be Division C of the Class of 1948. The most turbulent election that has ever been witnessed at N. U. happened in September of that year. The whole controversy centered around the question of whether the girls were to start a matriarchal society or whether the males would still dominate the scene. The election results showed that the girls did have a little power as Majorie Lundfelt was elected Vice-President. Robert LeVine was elected President, Wilfred Thorner Secretary, and Jack Indeck Treasurer.

Rugged Territory

The class felt the need of an organization which would permit the airing of their own opinions. This resulted in the forming of the Freshman Discussion Group. Because members of the upper classes felt that they too wanted to belong, this was later expanded into the Northeastern Discussion Group.

Everyone donned their best bib and tucker to attend the Frosh-Soph Dance, the Class of '48's first fling into the Northeastern social circle. The exclusive Copley Plaza was the place, November 12, 1943 was the time, and the music for the evening was supplied by Pete Culter of Totem Pole fame. As all good things at N. U. turn out, the dance was a social success but a financial flop.

Sigma Phi Psi, a foreign name to the halls of the alma mater, was the first, last, and only recognized sorority. This was organized in June 1943 but was destined to live a short life. At its funeral and over the ashes Omega Sigma, the present girls' organization, grew in reincarnation. Grace McKinley received the first Omega Sigma Scholarship offered to the co-ed

who, in the opinion of impartial judges, was high in scholastic record and in general affability.

Campus Doings

With its usual pomp, ceremony, and red tape the Army arrived and added an air of military life to the campus. However, the Army Specialized Training Program Unit was not destined to remain for long. The Service Flag which now hangs in the lobby of Richards Hall was dedicated with elaborate ceremonies on the 5th of January, 1944. Nationwide attention was given Northeastern when one of its former students, Donald A. Jay, '43, had the U. S. S. JAY named after him due to the fact that he had been killed in action.

A new election was held in the spring of '44. Bill Davidson was elected President, Frances Rosen Vice-President, Earl V. Clark Secretary, and Sarkis Vartanian Treasurer.

With the influx of new veterans an organization was formed and Paul V. Shaughnessey was elected President. A room was set aside for the use of the Veterans Club, and when it was found that these quarters were inadequate due to the increased number of returning veterans, the present headquarters was allotted to them.

Miss Louise Marsh, Instructor in the Physics Department, was named Adviser to Women. She was introduced to the girls at an Omega Sigma Tea given in the Student Union Room. Miss Marsh started off her career as adviser to the women by being instrumental in obtaining a lounge for the co-eds.

Because of the large number of Huskies in the service it was deemed desirable that an organization be formed which could send the *News* and the Dean's Letter to our classmates. Under the auspices of Dean Harold W. Melvin the Husky Plus Club was organized. This proved to be one of the hardest working, least publicized groups in the University. Originally composed of 5 fellows and 5 girls, it now has expended into a group of 25.

Social Banter

A red circle on the calendar, September 9, was the first annual Vets Dance. In semi-formal attire the couples danced to the smooth music of Harry Donehey and his band in the spacious hall of the Hotel Continental. Although the affair was not a financial success, this was due in part to the fact that it came at a vacation period.

An election was held in the early part of the semester and Bill Davidson was re-elected President. Judstin Radlo was elected Vice-President, Emily Lewis Secretary, and Jack Rackliffe Treasurer.

The social season of 1945 started off with an informal bang which was followed up by Pops in May. The Middlet-Junior Dance was held in the beautiful Colonial Room of the Copley Plaza. A delightful evening of dancing, to the music of Lew Tobin, was enjoyed by all who attended. Northeastern Night at Pops was held on May 24. In spite of the fact that this affair came during the middle of exam week it was well attended.

Summer Simmerings

Elections again dominated the scene in June when William Davidson was once more chosen to lead the class. Francis Mastropieri was elected Vice-President, Chessie Zbikowska Secretary, and Jack Rackliffe was re-elected Treasurer.

An increase in nervous breakdowns among students and faculty caused the powers that be

to grant a three-week recuperation period. During the holiday Miss Marsh was shot with one of Dan Cupid's Arrows. On August 3, 1945 she married Dr. Bertrand E. Roberts of New York. Miss F. Elizabeth Oelschlagel was appointed the new Adviser to Women.

With the increasing number of veterans returning to the classroom the second annual Vets Dance turned out to be a gala time. The committee did themselves up brown by obtaining the service of Ruby Newman and his band. the dance was held on September 23 at the Hotel Bradford.

Orchids Galore

With a swish of tulle gowns and a smell of mothballs, elite Boston society bowed down to the Presentation Dance on October 26 at Longwood Towers. Bill Davidson presented the colors of the Class of 1950 to their president, Stanislaw Zbozen. For the first time in the history of the Class of 1948 the affair was a financial as well as a social success. This was the last social affair for 11 members of the class, who graduated on December 5.

J. Richard Brown, upon being graduated in December, was appointed instructor in the College of Business Administration. Dick was active in Student Council and Nu Epsilon Zeta, as well as being Managing Editor of both the *News* and the CAULDRON.

Ditto

The new semester in December brought with it elections, and the same slate of officers were re-elected to carry the Class of 1948 to a conclusion.

The coming of warm weather heralded the Spring Dance which was held on May 3 in the Crystal Ballroom of the Hotel Kenmore. This was the last dance that the Class of '48 sponsored which was open to all N. U. Lew Tobin and his famous band furnished the music and a good time was had by all.

All of the class was aflutter between preparing for Senior Week and interviewing prospective employers. It was with the greatest anticipation and with a wee bit of regret that the members of the Class of 1948 looked forward to a tremendous week followed by "the big day."

Basketball

by Alfred J. Pacelli

Handling his first Northeastern basketball team, Coach Gene Paré welcomed over seventy candidates at the opening practice. With a seeming abundance of material on hand, a two-team system was tentatively planned, but medical exams and draft calls soon made the scheme unrealistic.

The opening game brought the Huskies against a strong A. I. C. five which had already won seven games. Northeastern's starting lineup read: Norman Gosselin and Ben Coleman, both freshman, at the forwards; Tom Blair, another freshman, at center; and Hal Maron, a senior, and Eddie Stankevich, a junior, both former lettermen, at the guards. The average height of the squad was six feet. During the first half, the N. U. five stayed with the powerful Aces; but the question of experience and condition soon began to tell in the second stanza, Northeastern bowing, 74-47. Gosselin made a notable effort with fifteen points. In their second game, the Red and Black again met defeat, this time at the hands of Connecticut.

After driving five hours in a blinding snowstorm and almost impossible road conditions, the Huskies reached Worcester and garnered their first victory at the expense of a heretoforth undefeated Clark University team. John Labbadia, '45 letterman who up until this time had been playing a substitute's role, scored 12 points to start a scoring spree which soon boosted him into the starting lineup. Three more defeats at the hands of W. P. I., Maine, and M. I. T. were registered before N. U. tasted victory again.

Playing at the University of New Hampshire, the Huskies came from way behind to win on Labbadia's lay-up shot with only three seconds to play. Final score was N. U. 46, N. H. 44. In the first of our traditional games with B. U., the Red and Black were soundly beaten, 62-26.

In an attempt to strike on a winning combination, Coach Paré moved George Watts and Jack Butchard up to the starting team, using eight men and rotating them throughout the game. It was also about this time that John Labbadia was elected captain.

With some fancy shooting by Gosselin, Labbadia, and Blair in the last few minutes of play, the Huskies came from behind to top Bates, 60-52. Big Hal Maron registered eight points for himself, the most he

Second Row, left to right: Pacelli, Keegan, Butchard, Glazier, Lengas, Myers.

Basketball

had made in four years of competition. Three more losses, first to Tufts, then Lowell Textile, and finally A. I. C., came before the next victory, the win being racked up against New Hampshire for the second time. Again Northeastern came from behind to win in the last few minutes of play.

The rest of the season saw us going without a victory, and losing to Harvard, Maine, B. U. and Connecticut for the second time. Season record: won 4, lost 13.

After the close of the season letters were awarded to John Labbadia, Hal Maron, Norman Gosselin, Eddie Stankevich, George Watts, Tom Blair, Ben Coleman, and to Manager Alfred Pacelli.

Cross Country

by Morton Lutch

With a nucleus of four returning lettermen, Coach Jerry Tatton moulded one of the finest cross-country teams ever to wear the red and black of Northeastern. Ernie Mills, Bob Welsh, Shorty Austin and Bill Buchanan were veteran hill and dalers while newcomers were Ed Savage, Harry Hart and Art Calderero.

In its first meet N. U. defeated Harvard and Worcester Polytech on the Harvard course by a score of 35 to 45 and 45, with Mills, Savage, and Hart leading the winners. The next week Northeastern upset a favored M. I. T. aggregation 27 to 29, with Mills and Welsh pacing the Huskies to this well-earned victory. Traveling to Storrs the next week the Harriers defeated Conn. 20 to 39.

Displaying their best form of the season, Northeastern took second place in the New England Cross-Country Championships, losing only to Rhode Island State. As a reward for their fine work the team was sent to the IC4A Championships in New York and garnered fifth place. They defeated such teams as Dartmouth, Cornell, Fordham, Columbia, etc. Running the best race of his career, Bob Welsh was the first N. U. man to cross the finish line taking twenty-ninth spot in the hundred-plus field. Following this meet Bob Welsh was elected captain for the season.

Track

by Ernest E. Mills

The winter and spring of 1942 brought to Coach "Jerry" Tatton a track season comparable to the Husky pre-war seasons in the number and success of the meets. The squad, the largest and most experienced since 1943, was composed of veterans from the previous year's team with returned service veterans and a sprinkling of freshmen giving the depth needed to back the outstanding stars.

The season's first competition was in an open meet held at Malden High. Three firsts gave N. U. the lead in the open events with 20½ points. Captain Ernie Mills doubled in the 440 and 880-yard runs as veteran Paul Hodge easily annexed the laurels in the high jump.

The Boston "Y" handicap meet, a week later, also fell to the Huskies as they scored 20 points to M. I. T.'s 15 and Rhode Island State's 9. Firsts in three events were accounted for by Bob Welsh in the two-mile, and Mills, from scratch, in the 600. Paul Hodge, from scratch, and Raymond Randolph, with five inches, tied for the lead in the high jump.

The first college meet of the year ended with N. U. on top. N. U.—51, M. I. T.—38 and Brown—10 was how the score read when the last tape was broken at Cambridge. The Huskies swept all four places in the shot with Charley Knowles winning. Gale Foster threw the 35-pound weight 43 feet to win while Mills and Welsh accounted for firsts in the mile and two-mile respectively.

Journeying to Bates, the Huskies were expected to really streak. The team lived up to its expectations but were pushed for top honors by a fighting Bowdoin squad. The final score was N. U.—59 13/30, Bowdoin 51 17/30 and Bates—6, with the final outcome in doubt until the last events. Husky Ed Boudreau tied the meet and cage record in winning the 40-yard dash in 4.6 seconds. Mills turned in a fine 1:17.7—600, which, together with a win in the 1000 and place in the 300, gave him 13 points for the afternoon's work. Foster and Knowles continued their good work by accounting for firsts in their events. E. Newell Austin led an N. U. sweep of the two-mile, and freshman John Flanagan slammed into the 300 for his first college win.

The Husky relay quarter, composed of Larry Root, Brian Casey, Mills, and Flanagan was victorious in its one and only race of the season. Traveling the boards in the Boston Garden at the annual B. A. A. meet, the foursome defeated Rensselaer Polytechnic Institute and Mass. State by a good thirty yards.

The Boston "Y" was the scene of the N. E. A. A. U. Championships which attracted New England's top athletes. Unofficial score gave the Huskies the top honors with 20½ points. M. I. T. collected 12 while Tufts and Rhode Island had 11 each. Husky New England champs were: Mills in a good 600-yard race, and Welsh in the grueling three-mile. Other N. U. point scorers were Harry Hart, second, and Austin, third in the three-mile; Flanagan, third—600; and Hodge second with Raymond Randolph, tied for third in the high jump.

Three days after this victory, the undefeated Husky was toppled by Tufts. Tufts' mainspring was Frank Cassidy, winner of the mile and two-mile. Knowles and Mills

First Row, left to right: Calderaro, Billings, Welsh, Coach Tatton, Austin, Georgerian, Casey, Leefman. *Second Row, left to right*: Assistant Coach Bowen, Knowles, Grigsby, Root, Mills, Hart, Flanagan, Manager Lutch. *Third Row, left to right*: Duffy, Seller, Kushner, Wenkus, Wallace, Jones.

Track

with Hodge and Randolph in a three-way tie in the high jump along with freshman Ulric Grigsly in the broad jump accounted for first in their specialties. The team lacked the wins in the running events provided in the previous meets.

Traveling to New York for the I. C. A. A. meet in Madison Square Garden, Mills and Flanagan competed in the 600-yard run to officially end the indoor year. Flanagan ran the fastest 600 of his career to be clocked in 1:17.1 as Mills, timed in 1:16.1, managed to qualify for the finals. Mills duplicated his own performance of the previous year by collecting a lone point for Northeastern with a fifth place in his last indoor meet under the Red and Black.

With a fine schedule planned and a constantly improving squad, Coaches Tatton and Earl Bowen are looking forward to a prosperous outdoor season.

In the Spotlight . . .

by Alfred J. Pacelli

As graduation time rolls around for the class of '48, four of its most outstanding members in athletic circles will have worn the Red and Black colors for the last time.

Leading off our parade is Harold Maron, an old-timer whose first taste of college competition came on Jimmy Dunn's 1938 freshman basketball team. After having received two "N's" and being elected captain of the '41-'42 quintet, Hal enlisted in the Air Corps and served three years as a 1st lieutenant, doing most of his flying over China. Returning to Northeastern last fall, Hal resumed the starting guard post that he left in 1942 and went on to score more points this season than he had scored in the three previous years put together. Noting the co-eds on his return to college, Hal labels them a "disturbing influence."

Captain of last winter's basketball team was John Labbadia. Known to his friends as Smiley, he was not only popular with his teammates but also among the female sex who voted him the most lovable wolf on the campus. Hailing from Connecticut and the only out-of-state in the Spotlight Quartet, John received his first letter on the '44-'45 team. After a slow start this year, Smiley hit his peak at mid-season and continued on to lead the team in scoring for the season. I might add that besides his basketball agility, he runs a pretty fair hundred on the track team.

Track Coach Jerry Tatton is shedding tears over the loss of Ernest Mills, who has been his bread and butter for the last three years. Holder of the New England A. A. U. 600-yard title and for the last two years a place winner in the I. C. 4 A. meet in New York City, Ernie lists more letters than any other member of the graduating class. Having no previous running experience before entering college, Coach Tatton took Ernie under his wing and has developed him into one of the best middle-distance runners around New England today. Surprisingly enough, Mills not only steps a fancy 880 but he is the leading point gatherer on the Husky cross-country team, which he has captained twice. Having a great love of the sport, Ernie is looking forward to a teacher-coach position after graduation.

Bashful Robert Welsh rates number four spot on our "Hit Parade." Bob has been plugging away at the distance routes in track and the four and a half mile cross-country grind for the last two years, having only a fair success. It was not until last fall's cross-country campaign that Mr. Welsh hit his form. Together with teammate Ernie Mills, the duo led the team to an undefeated season in dual meet competition. As a reward for his effort, Bob was elected team captain. Proving that his impressive performances were no fluke, Bob came back this winter and won the New England A. A. U. three-mile crown.

Four returned veterans who are receiving their degrees with the class of 1948 earned letters in pre-war athletics. These wearers of the "N" are David Murphy, football 1940, 1941, 1942; Robert Saumsiegle, hockey 1941, 1942, 1943; William Shannon, football 1942, baseball 1943, hockey 1941, 1942; Roger Tuttle, baseball 1944. Hats off to these men and the contributions they made to Northeastern athletics.

Acknowledgments

We of the CAULDRON Board wish to express our deepest and heartfelt thanks to all who have contributed or helped us compile this yearbook.

To Mr. Waid, Miss Dempsey, and Mr. Yerkes for their cooperation and excellent work.

To Mr. Russell Knight of The Stobbs Press for his untiring assistance.

To Miss Peppard and Mrs. De Bery of the Activities Department and to faculty members and secretaries of other departments for their patience and help.

To George Scruton, whose excellent photography work has given our book a touch of distinction.

To H. Armstrong Roberts Co. for the picture on the title page.

To Alden Hebard for his dedication message.

Advertisements

The officers and Faculty of Northeastern University wish to express to the seniors their very best wishes for success in everything which they may undertake or be called upon to perform.
